Sir,

Your most obedient servant,

For Secretary to Government,

S.S.

Letter No.M.8680/34 dated the 26/27th July 1917 from the Chief Electrical Engineer to the Secretary to Government, Public Works Department, Bangalore.

Referring to Government Order No.Fl.7750-99-G.F.219-16-1 of the 22nd June 1917 passing orders on the proposals of the Special Officer Mr.K.L.Datta regarding the reform of the Public Works system of payments and accounts, I have the honour to inform you that the permanent advances fixed for the Chief Electrical Engineer, Superintendent, Bangalore Power and Lighting and the Chief Operator, Sivasamudram are not adequate to meet the payment on account of labour and work establishment employed in these sections. We would, therefore, request that the amounts noted below against each may be sanctioned as advances.

2. It is desirable that the advances with the Chief Line Inspector, Chief Operator, Kolar Gold Fields and Assistant Chief Line Inspector, are included in the lumpsum sanctioned for the Head Quarters section, so that the same may be regulated according to their requirements from time to time.

3. As regards the date of submission of the accounts of this Department which are to be received from the sections and consolidated in this office the preparation of revenue schedules and etc., the nature and volume of work in this Department are such that the accounts cannot possibly be submitted by the date fixed. We are taking up these points with the Comptroller to the Government of Mysore.

2. As regards para 2 of the Chief Electrical Engineer's No.M.8680/34 dated the 26th July 1917, there is no objection to the raising of the Permanent Advance with the Chief Electrical Engineer to Rs 3,500 making the Chief and Assistant Chief Line Inspectors and the Chief Operator, Kolar Gold Fields, sub-imprest holders under the Chief Electrical Engineer. In this case, the amount already sanctioned by Government for the several officers is Rs 3,250, but that now applied for by the Chief Electrical Engineer is Rs 3,500.
